### Agenda

1. Rhonda Holder resigned from the board and her position as secretary.
2. Cynthia Newson was nominated for the position of secretary. Voted on and approved.
3. Indoor pool was closed for a few days due to lack of chlorine tablets in the chlorinator causing the chlorine levels to drop below acceptable levels. New policies regarding the stocking of chlorine tablets and checking chlorinator levels were implemented and training was provided to the operators of the pools.
4. The indoor pool passed it's annual inspection by the Arkansas Department of Health.
5. Investigation of a report of water backing up in multiple resident's patios confirmed a damaged drainage system. A local contractor was contacted and is in the process of providing an estimate for a drainage pipe to be placed behind the properties so that each owner would be able to access a drainage pipe.
